⚠ WARNING: Cancer - [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov)

The samples shown on the front may not represent all colors and patterns within the product. Please view images online or the product in store. Bedrosians offers to its direct customers a 10 Year Limited Warranty on all Magnifica 12mm and 2cm porcelain panels purchased after December 20, 2018. For warranty to apply, consumer must proof of purchase via an invoice. Please reference the Magnifica Limited Warranty online for details. Per ANSI A137.3 and A108.19, the Magnifica installer must complete an ANSI specified qualification program prior to installation.

For installation of all polished, satin, or honed porcelain, use a grout release prior to grouting to prevent absorption of the grout into the tile's micropores. We recommend use of a grout color that matches the predominant color of the tile. Tiles with a polished finish are not appropriate for wet or exterior floor applications. Do not use acidic cleaners. Use of a leveling system is strongly recommended. Merchandising materials and samples are for general reference only and representative of a product's potential characteristics. Tile is subject to variation in color/shade, size, texture, and finish. Field, mosaic and trim tile may not match exactly. Blend tiles from different boxes to achieve consistent shade distribution. Installer and end user must conduct a dry mock layout under proper lighting conditions to inspect the product. Installation constitutes product acceptance. Improper installation, application, use, care and maintenance voids warranty. Reference the TCNA Handbook and ANSI for installation guidance. Please visit [bedrosians.com](http://bedrosians.com) for current product information. We reserve the right to make product changes at any time without notice.
