## About The Product

Pairing recycled glass with in vogue looks, this collection makes a signature statement that's sure to garner attention. From mod hexagons and subway tiles to of-the-moment herringbone, they're in their glory on accent walls, backsplash, and even in the shower. With many being mesh-backed options and colors including trendy gray and timeless white marble looks - achieving a stylish, professional installation has never been easier. Give your space a dash of detail or a dose of glam with one or more of our recycled glass mosaics.
